The applicant hereby authorizes service to be established in their name(s) at the above property location and agrees to pay for service until discontinued. The applicant(s) acknowledges they have been informed that the District has adopted a Sewer Use Resolution which regulates use of the District's sewer services and that the District has offered to provide the applicant with a copy of the Sewer Use Resolution upon request so that each applicant can know and understand the District's Sewer Policies. The applicant(s) agrees to comply with and be bound by the Sewer Use Resolution of the District, now in force, or as hereafter duly and legally supplemented, amended or changed as well as the Rules and Regulations of the Public Service Commission of West Virginia.

The applicant(s) shall install and maintain, at the Applicant(s) expense, a lateral service line which shall begin at the Applicants connection point on the District's line and extend to the dwelling or place of use. The Applicant(s) shall construct their lateral service line, including installation of a two-way cleanout, in accordance with the District's specifications. The District shall have exclusive right to use such service connection. Applicant(s) agrees to maintain a clear, accessible path between the District's main line and both locations of the applicant(s) required two-way cleanouts as is defined in the District's Sewer Use Resolution.

Sewer service charges to the applicant shall commence on the date service is made available regardless of whether the applicant's lateral service line is complete and ready to be connected to the collection system. If the applicant(s) piping facilities or equipment is regarded as hazardous or unsatisfactory to provide safe and adequate service, the applicant(s) agrees to effect such changes, repairs, replacement or restoration as is reasonable, prior to the provision of service by the District. The District shall determine the adequacy of capacity to serve the applicant and will not allow any connection or extension to be made to the applicant's lateral service line for the purpose of supplying sewer service to another dwelling or user.
